## NetSetGo (6 – 10 Years)

NetSetGo is Netball Australia's official starter netball program. Open to **both girls and boys**, it provides children with a positive introduction to netball, incorporating skill activities, minor games and modified matches. There are three levels of the program:

- Net – for players aged 5 and 6
- Set – for players aged 6, 7 and 8
- Go – players aged 9 and 10

At Lindfield Netball Club, we offer Set and Go. Registrations open each year in January and usually close early-March. You may register your child to play online through the Lindfield Netball Club website. For more information about our NetSetGo program, or if you would like to be involved as a coach, please contact us [netsetgo@lindfieldnetball.org](mailto:netsetgo@lindfieldnetball.org).

## Position Rotations

KNA has a position rotation policy for U6 – U8 that each team **must** follow. This ensures all players have equal time in each position and are able to actively learn all areas of the court. Rosters are monitored by KNA. Lindfield Netball Club appreciates parental support in adhering to this requirement.

## Child Protection Policy

A current NSW Working With Children Check is required by all volunteers at the club who are 18 years and over. This includes Team Managers, Coaches and any Parents supervising training. Working With Children Check can be obtained from the NSW Office of the Children's Guardian and are free for volunteers.
