

Modified Rules for NetSetGO Summary

As per Rule 15 of the International Netball Federation Rules of Netball, variations to the rules may be made for matches that are not international play.

NetSetGO provides a staged introduction to netball by focusing the development of fundamental motor skills and introducing children to the game of netball using rule modifications that are developmentally suitable. The use of modified rules and equipment reduces competitive stress, allowing children more time and space to practice and develop their skills.
